

SECRET

25X1A9A MEMORANDUM TO: [REDACTED]

Acting Comptroller

SUBJECT : Special Paper on Principles Covering Sensitive Operations

25X1A9A

1. At your request [REDACTED] have prepared a paper which could be used to answer the Deputy Director (Support)'s request for the subject principles. This paper is submitted in two versions, attachments "a" and "b".

2. Attachment "a" answers the specific subject "Accounting Practices for Sensitive Projects" as titled in the DD/S's memorandum.

3. Attachment "b", consonant with your statement at the meeting: "These parts of DD/S should be cut in for technical guidance and assistance on a compartmented basis" enunciates general principles applying to all support components and uses Comptroller functions as specific examples. These principles also cover the specifics of Comptroller items.

4. Both approaches are submitted for your review and decision.

Forber,
Technical Accounting Staff
